

Wisconsin School Mental Health Framework: *Shifting Adult Perspectives and a Roadmap for Next Steps*

During this workshop you will explore the Wisconsin School Mental Health Framework, adult attitudes that lead to engagement of students with mental health challenges, and needs assessment that will guide future work in your school.

Topics Include:

- Establishing empathetic connections with students and parents
- Co-planning with students, parents, and providers
- Core elements to consider when adopting the WI SMH Framework
- Exploring a needs assessment for aligning school mental health strategies with your school's PBIS foundation

Presenters:

Nic Dibble, WI Department of Public Instruction Consultant
Sue McKenzie, Co-Director, Rogers InHealth, Rogers Memorial Hospital

Cost: \$50.00 (Lunch Included) No cost to CESA #4 Safe and Healthy School district participants from Alma, Cashton, and Independence.
