LLI Primary Systems Refresher and Touchpoint Workshop

Do you want to know if you are moving the needle on student learning using LLI?

Would you appreciate some review in the company of fellow system users?

Participants will:

- Collaborate with other users to gain useful tips
- Focus on instructional practices within LLI Primary systems
- Evaluate reading records for instructional moves
- Check in on fidelity
- Trouble shoot areas of concern within the systems

Audience:

Teachers who are currently using LLI Primary Systems (*Orange, Green, or Blue*). Also, teachers who are interested in connecting with others, calibrating practice, and critically reviewing your own craft.

Register:

Cost: 75\$ per person. Includes materials, light breakfast.

Questions: Contact Laura Veglahn, lveglahn@cesa4.org or Becky Martin, bmartin@cesa4.org
