

CESA #3

Common Core State Standards (CCSS) Workshop

Investigating the Standards: Literacy in History/Social Studies, Science and Technical Subjects Grades 6-12

March 28th

9:00am – 3:00pm

Held at SWTC – Lenz Center

Purpose of the workshop:

1. To understand the underpinnings of the CCSS.
2. To investigate the Grades 6-12 CCSS for Literacy in History/SS, Science and Technical Subjects.
3. To learn a process that can be used to investigate the CCSS.
4. To explore college/career ready literacy.
5. To plan local investigations of the CCSS.
6. To reflect about implications to your practice using these standards.

Who should attend:

This workshop is designed for teachers of social studies, science and all technical subjects as well as related arts teachers such as art, music, physical education, health and FACE in grades 6-12.

**CESA #3 will provide all the materials needed to complete the workshop.
No need to make any copies.**
