

Academic Career Plan (ACP) Workshop # 2

May 10, 2016

9:00 AM to 3:30 PM

CESA 12 Conference Center

This is the 2nd session of the planned series of workshops designed to assist school districts develop an implementation plan that will meet the requirements of the Academic and Career Planning requirement.

Presenters: Jim Lee, Director- CESA 12 School Support Services
Brenda Kretzschmar, CTE Coordinator- CESA 11
Andy Eaton, CTE Coordinator- CESA 12

Description: This second of four workshops will provide district leadership teams with an opportunity to learn about the Career Cruising software, identify gaps in career curriculum and programming and follow up on developing implementation plans discussed during the first workshop.

Workshop Agenda:

- AM Session
 - ACP and Education for Employment Updates
 - Review of district goals from workshop 1
 - Post secondary follow-up data dig
 - Career Cruising Software demonstration
- PM Session
 - Gaps analysis
 - Introducing ACP to staff/parents/students
 - Team planning and Networking

BRING A TEAM

We highly recommend that a building level administrator from high school and/or middle school, as well as a School Counselor, a CTE Teacher and a representative of Special Education come as a team to this event.

Registration: Register for this workshop at MyQuickReg.com by May 6, 2016

This workshop is free for CESA 12 Carl Perkins Program Consortium members and subs and mileage will be reimbursed. All others \$125 per participant.
