## *A Reading Adventure*

Tara West is an educational blogger, kindergarten teacher, and curriculum designer.

CESA 5 welcomes you to join us for an engaging day of professional development with Tara West! Tara will be presenting on the K-1 topics of close reading and Guided Reading.

Her educational curriculum is being used by teachers and school districts around the globe. This conference is an opportunity to feel her passion for close reading and Guided Reading as she provides you the most hands-on and nurturing approach to tackling age-appropriate curriculum and activities.
