TEAM TRAINING DAY

Objectives

Participant will revisit essential school-wide systems (data, teaching, acknowledgement, and interventions) and use the Team Implementation Checklist to self-assess current implementation and action plan around identified needs. In addition, participants will look at the Benchmarks of Quality to begin to understand the use of the tool in self-evaluation. Lastly, teams will review effective and efficient classroom management systems and draft strategy to link classroom systems to their school-wide PBIS framework.

Prerequisites:

- ◆ **Universal/Tier 1 Training, Days 1 & 2 and PBIS Kick-Off in your school**
- ◆ **Two to three months of behavior data is needed to attend.**
- ◆ **Bring access to your data to the training.**
- ◆ **Have your local survey coordinator for PBIS Apps open a window for the BoQ and your school code so each team can complete and enter your BoQ assessment data.**

➤ *Completion of this day is a necessary part of Tier 2 readiness* ➤

Target Audience

Building level Universal team that includes: Building administrator, external and internal coaches, regular education teachers that represent grade levels, special education teacher, social worker and/or psychologist, specials teacher, paraprofessional and family members.

Preparation

- ◆ School calendar and staff development days
- ◆ All artifacts/products from U100s and U200s such as behavioral matrix, cool tools/behavior lesson plans, acknowledgement system, T-chart of behavior, "working smarter" matrix and any information shared with school community.
- ◆ Big Five and other relevant data (included discipline data disaggregated by ethnicity and disability status) for previous month for problem solving and action planning.
