## Non Violent Crisis Intervention Refresher Workshop

Tuesday, January 4, 2011

Tuesday, February 1, 2011

Wednesday, April 6, 2011

(choose one)

9:00-3:00 (8:30-registration)

*This new training supports a proactive approach that enhances the use of non-violent communication and a safe, non-harmful behavior management system designed to provide the best possible care, welfare, safety and security of potentially disruptive, assaultive, or out-of-control students while insuring the safety of staff and other students. This workshop is designed for administrators, paraprofessionals, teachers and other school personnel in contact with potentially disruptive students.*

### Workshop Objectives:

- Strengthen participant's understanding of Non Violent Crisis Intervention (NVCi)
- Develop an understanding of autism spectrum disorders that helps staff member understand why behaviors occur, how to prevent behaviors from occurring, how to appropriately intervene, and how to structure the post-vention process
- To expand on the CPI Crisis Development Model and explore appropriate adaptations and interventions at each level
- Apply and practice the additional content as it relates to NVCi program
- To provide Care, Welfare, Safety and Security of the staff and the individuals they support
