

4K / Kindergarten Math Series

December 4, 2015
January 20, 2016
March 2, 2016

12:30 pm - 3:30 pm

CESA 10 Conference Center
Chippewa Falls

$$1 + 1 = 2$$

Participants in this series will explore classroom practice and lesson ideas for 4K/K mathematics. We will also spend time exploring the correlation between the Early Learning Standards and the Common Core State Standards.

There will be an optional one credit book study between classes. You do not have to participate in the book study to attend the meetings. The first ten people registered for this series will receive the book free of charge (a \$54 value)!

Questions about workshop content, contact:

Amy Carriere, acarriere@cesa10.k12.wi.us, 715-896-6527

Michelle Parks, mparks@cesa10.k12.wi.us, 715-720-2034

Questions about registration, contact:

Ginny Shoemaker, gshoemaker@cesa10.k12.wi.us, 715-720-2038

Cost: No charge.

Target Audience: 4K and Kindergarten teachers

Registration is done through MyQuickReg.com.

Registration Deadline: November 24, 2015
