Academic & Career Planning Team Workshop

ACP teams will work toward creating their ACP document to be published and presented for school board approval. ACP teams will define the knowledge, skills and habits that students need at the next level. Teams will create activities, experiences, opportunities, instruction and guidance to support all students through their school's ACP process.

WORK

with your ACP Leadership team to explore, plan and develop your district ACP process.

KNOW

ACP overview & culture.

EXPLORE

What do all students need to be successful?

CESA #4

923 E. Garland Street
