

Lifting the Lid: Personalized Learning Bootcamp

Personalized Learning Bootcamp at a Glance

Please Join us at CESA #9 for our 2016 fall Boot Camp on Personalized learning. This workshop is an introduction to personalized learning.

Tuesday, September 27, 2016

Bootcamp Objectives

This workshop will explore:

- The “Why” of Personalized Learning
- The definition and continuum of personalized learning
- The research and results behind personalized learning
- Strategies to personalize learning for students
- How to get and stay connected to other educators “working on the work” of personalized learning in our region of the state

Audience

The Personalized Learning Bootcamp Workshop is designed for teachers, principals, superintendents and other district leaders.
