

Readiness and Emergency Management

for K-12 Schools

OCTOBER 11, 2016

8:30 am-3:30 pm (Registration 8:00-8:30 am)

Metropolis Resort

5150 Fairview Drive, Eau Claire, WI 54701

AM LARGE GROUP TRAINING SESSION “Developing Emergency Operations Plans K-12 Training”

In collaboration with their local government and community partners, schools can take steps to plan for potential emergencies through the creation of a high-quality school EOP. This training provides an overview of a recommended six-step planning process to create a high-quality school EOP. It is applicable for audiences interested in creating, revising, or enhancing school EOPs.

BREAKOUT SESSION

“Avoid Deny Defend,”

Jason Weber, Community Liaison Officer,
Town of Menasha Police Department

Since 2001 there have been over 160 active shooter events in the United States. In Wisconsin we have seen events in Oak Creek, Crandon, Brookfield and most recently Menasha.

This session will take a look at these events along with our psychological response and provide options for a physical response to an active shooter and crisis situation.

BREAKOUT SESSION

“Safety with Social Media,”

Deputy Pete Ehlert, Winnebago
County Sheriff's Office

The session will focus on why our children are at risk when using social media and the Internet. Deputy Ehlert will show how easy it is for a predator to target our kids and the methods they use. Sexting laws, why our children engage in this behavior, and popular apps will be covered.

BREAKOUT SESSION

“Threat Assessment in Schools,”

Brian Dean, Educational Consultant,
Wisconsin Department of Public
Instruction

You will learn the essentials to developing a comprehensive Threat Assessment Procedure, which are adaptable to your district, including:

- Developing a policy
- Coordinating a team of responders
- Educating the community about threat assessment
- Developing a multi-level threat identification procedure
- Developing a multi-level response to identified threats (interventions)
- Coordinating resources and interventions to address identified threats in your district
