# New Report Cards What Do They Mean?

**Wednesday, October 26, 2016 – 8:30 a.m. to 3:30 p.m.**

**Presenter: Lori Rugotska, Ed.D.,** Dynamic Learning Collaborative Coordinator  
**Mary Ann Hudziak,** Teaching & Learning Coordinator

## Description

As part of the state accountability system, the Department of Public Instruction (DPI) produces report cards for every district and school in Wisconsin. These Accountability Report Cards include data on multiple indicators for multiple years across four priority areas and three student engagement indicators.

The 2015-16 school year was a transition year for school accountability. Some aspects of the report cards have changed and some aspects are new to the accountability system. Some changes include a 5-star rating designation, and a new weighting scheme based on the percentage of economically disadvantaged students in the school and district.

## Workshop Objectives

- Become familiar with the details of the new Report Card
- Review your results
- Learn and share strategies for communicating Report Card results with stakeholders

## Who Should Attend?

Administrators, teacher leaders and school-based teams. Consider sending data teams that include representatives from the following: administration, special education, classroom teacher, Title I, guidance, and ELL.
