

# Online Book Study: “Moment to Moment: A positive approach to managing classroom behavior”

Register by 6/27/16 to receive your copy of the book!

Participate in the **online book study** from the author Joey Mandel who is a special education and ESL teacher. She is dedicated to helping educators identify skill deficits which impact student behavior.

*Moment to Moment* offers teachers the tools they need to help children succeed socially, emotionally, and behaviorally and shows how to build important social skills from controlling speech and movement to building attention and concentration, to adapting to the social environment. This book empowers teachers to help children develop stronger character, sense of self, and emotional well-being, giving them the skills they need to deal with the emotional challenges they meet in school.
