PROFESSIONAL LEARNING NETWORK: 2016-2017 EVENTS

One of the greatest challenges in any PLC is finding meaningful learning partnerships *for the singletons* — art teachers, band directors, media specialists, foreign language teachers, the physics teacher, a single 3rd grade classroom, etc. — in a building.

Objectives of PLN:

CESA #4's Professional Learning Network aims to bring singleton teachers together to develop a *common purpose*, appreciation, and understanding towards student learning outcomes across district lines.
