Description:

Come to this two-day workshop on August 3 & 4 to review and study for the Teachscape FOCUS test. You will do the testing on your own after this prep session.

Topics include:

- ~ Study of all components of the Danielson Model
- ~ Practice using scoring videos and collaboration
- ~ Practice knowing how to tell if a statement is bias or interpretation
- ~ Review of Teachscape Focus testing strategies

Presenter: Dr. Lynee Tourdot, EE Implementation Coach

Please make sure you have access to the FOCUS tab in Teachscape. (If you do not have access to FOCUS, you can still come to the training sessions, but you will not be able to take the test until you have access to FOCUS).
