Career Cruising

Wisconsin Academic and Career Planning (ACP) In-Person Training

Wednesday, Oct. 5, 2016 – 9 a.m. to 3:30 p.m.

Career Cruising

Presenter: Steve Yaun

Senior Educational Sales Consultant Career Cruising

Description

Career Cruising is a web-based career exploration and planning system that helps students plan their futures. Students can use assessment tools to determine which career is the best fit for them, then explore detailed occupation profiles and examine comprehensive post-secondary education information. This tool will be used by school districts in Wisconsin to support the overall delivery of Academic and Career Planning (ACP).

Workshop objectives

- Role of ACP Software in ACP Implementation and Delivery (DPI)
- How to access the Career Cruising ACP
- Introduction to the Career Cruising system layout and components
- Introduction to the career and education exploration tools
- Introduction to the administrative and reporting components, including how to retrieve students Career Cruising ACP access, Parent/Guardian access and how to run aggregate reports
- Accessing the Helpful Documents section, including Users Guides, Classroom Activities, Webinar Recordings, and other available educator resources
- College and Scholarship Application management tools
- Parent/Guardian Portal - administration and strategies to engage parents
- Completion Standards and various aggregate reporting/ sorting options
- and much more ...

Who should attend?

School administrators, counselors, teachers, school staff designated as trainers for the Career Cruising software in their buildings
