

# LLI Professional Development Series

2016-2017

## Assessment to Drive Instruction : September 27, 2016

This training will focus on Fountas & Pinnell's Benchmark Assessment System (BAS). This training will help those people using the BAS for the first time. We will learn how to benchmark and progress monitor students as well as how to administer, score, and analyze the reading record form. Participants will also learn to use the Continuum of Literacy Learning to set learning targets.

## COST

\$125 per Teacher\*

\*1 Title I Teacher/Reading Specialist per district will receive a \$75 registration discount

9:00 a.m. - 3:00 p.m.

## Digging Deeper, Next Steps: October 27, 2016

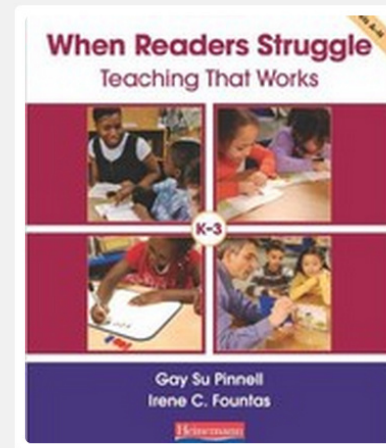

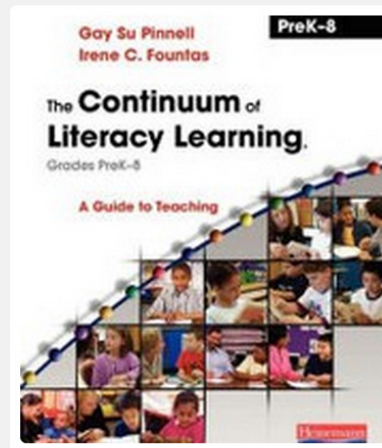

Any assessment is only as good as what happens AFTER it's over. Spend the day with us learning about the resources that support your BAS Assessments: The Continuum of Literacy Learning & When Readers Struggle. Come ready to learn and plan for next steps!
