

ELL Network and Learning Community

#3 Tuesday, February 22, 2010
8:30 am – 11:30 am

Topic: Differentiation – Sharing Current Practices

2010-11 Remaining Network Meetings

#4 Monday; March 21, 2011, Public Television Resources

#5 Wednesday; May 18, 2011, Blue Star Data System

Innovation Center
UW Whitewater Technology Park
1221 Innovation Drive, Whitewater, WI 53190

The series is designed for **SCHOOL DISTRICTS of ALL SIZES** with district teams of individuals who coordinate, administer or serve as a resource or classroom teacher for English Language Learners. The purpose of the meeting is to facilitate discussion about a topic related to the education of English Language Learners. This allows participants to network, ask questions, and construct new meanings by interacting with others in the field.

Participants are encouraged to submit their ideas for discussion. Those registered will receive email notices with agendas prior to each session.

Meeting Structure

8:30 Registration and networking
9:00 State level updates
9:30 Facilitated discussion
11:15 Conclusion

About the sessions 3, 4, and 5...

February 22, 2011 - Differentiation...

We are all at various points in the implementation process. Bring your examples and look at clips from the Webinar: ELLs in Your Classroom? Collaborating for Success

March 21, 2011 – Public Television Resources

There are many rich examples of media and programming that are available to teachers for use in their classroom with English Language Resources. The focus of the day is finding out what's available.

May 18, 2011 – Ell Data Management Systems

Come investigate new options for managing your data from year to year and student by student.

COSTS and REGISTRATION
