## Description

The PALS Administration Training walks new users through each component of the assessment. Protocols for administration, troubleshooting, and practice time are embedded within this training. Teachers will log in to the Online Assessment Wizard and familiarize themselves with the data gathering and reporting tools. There will also be a quick overview of the other resources and reports within the PALS Online System. This training will be perfect for teachers who are new to PALS or those who are who are changing grade levels.

## Workshop objectives

- Become familiar with PALS administration and scoring procedures.
- Navigate the Online Assessment Wizard.
- Understand the reporting tools available in the Assessment Wizard.

## Who should attend?

Teachers new to PALS or those who are switching from one grade level to another grade level
