

PBIS—Middle School Focused Networking

Description

This focused networking session provides an opportunity to connect with other area middle schools around the implementation of PBIS. After the host school highlights their successes, Rtl Center Regional Technical Assistance Coordinators will facilitate further networking and technical assistance around topics of participants' choosing.

Participant Outcomes

- Learn about the successes other middle schools in the area have experienced implementing PBIS.
- Learn from the challenges other middle schools have faced and the solutions that helped them build stronger systems
- Acquire resources utilized by other middle schools

Participants Should Bring

Success and challenges you've experienced, topics interest to discuss, documents/articles that you can share with others

Intended Audience

Principals, coaches and/or team members of middle school PBIS teams

Location

Maplewood Middle School
1600 Midway Rd, Menasha
Phone: (920) 967-1600

Cost

\$15 per person. Lunch included.

Facilitators

Michelle Polzin & Stephanie Skolasinski
PBIS Regional Technical Assistance Coordinators

Date

November 15, 2016
