

INTRODUCTION INTO INSTRUCTIONAL COACHING

Have you found yourself in a new role of supporting teachers with teaching and learning?

Do you have a passion for leading and supporting your colleagues but not sure how to start?

Join this session as we examine our beliefs about our work, our purpose, and the keys to becoming an instructional coach. Gather "tools" for leading conversations around instructional planning and delivery. Be ready for self-reflection, tips and techniques you can apply to support colleagues through the instructional coaching role.
