Library Media Specialist & Technology Integrators Network Objectives

Overview:

- 1) The landscape of education is quickly changing due to the infusion and impact of technology. These meetings will explore the impact of technology integration into the curriculum by teachers, librarians, integrators, and media specialists.
- 2) We will discuss: What do today's school libraries and media centers look like, what has changed, what needs to stay the same, and what are new emerging uses for the libraries / media centers (makerspaces).
- 3) DPI updates in the realm of library and media will be shared.
- 4) This will be a day of collaboration, gathering of resources, networking, and sharing of best practices.
