Description

This series covers three key areas in Classroom Management and is aligned with PBIS. Each session is a stand alone session.

Audience

Classroom teachers, especially new teachers and those that would like to refine their classroom management as part of their Educator Effectiveness professional development plan.

Other Requirements

- Each participant will need to bring a laptop that is Microsoft Office compatible
- It is recommended that teachers attend the training with a coach. One coach may accompany more than one teacher, but each teacher that attends should come with a coach who will assist with implementation at the school site.

Module 1: Rules & Routines

Create classroom rules, procedures, attention signals and lesson plans.

Module 2: Acknowledgement Systems

Learn how to give specific, positive feedback and how to increase rate of acknowledgment; and create classroom acknowledgment systems.

Module 3: Consequence Systems

Learn the elements of the consequence continuum, including planned ignoring, how to redirect, defusing power struggles, the influence of implicit bias during vulnerable decision points, ABC's of behavior and developing a minor system.
