

Smart Data for Going Schoolwide Workshop

Friday, Nov. 4, 2016

9:00-3:00 @ CESA #4

FREE to Title I School Teams

- ✓ School teams (3-6 people) will utilize and explore multiple data sources for guiding a Comprehensive Needs Assessment for a Title I Schoolwide Plan.
- ✓ School teams, made up of principals, classroom teachers, Title I teachers and more will use data to identify strengths and challenges and develop a clear picture of your current school needs.
- ✓ Teams will examine both academic, cultural, and curricular sources of data, determining types of data that provide lens for identifying areas of improvement.

Smart data sources we will explore:

WISEdash | School Report Card | SIR | BOQ |
Quality at the Core | literacy beliefs survey | school climate surveys
| Parent involvement feedback/surveys | other local data

Register on [MyQuickReg](#).
