

ELL Network Meetings

ELL Learning Communities

Facilitated by: Julee Dredske

These network sessions will provide ELL coordinators and teachers with an opportunity to network and discuss burning issues and receive updates as it relates to serving English language learners in your district. Topics may include ELL classroom strategies, interpreting ACCESS for ELL exams, classroom resources, CESA 5 resources, district spotlights, DPI updates, and networking discussion time. One of the goals of this network is to facilitate discussion and allow time for participants to network, ask questions, and develop new ideas from interacting with others in your field.

Following each meeting, participants may choose to participate in a learning community session exploring an ELL publication that has been selected by members. Participants will direct discussions and activities as it relates to topics addressed in the book. Graduate credit is only available to those participating in the book study along with two other ELL events.* Contact Julee Dredske, Ext. 289, if you are interested in this opportunity.

*One Graduate Credit—Available through Viterbo University—Cost additional \$200.
