[Best Practices Implementation Discussion](#) - This section will showcase best practice implementations from Northland Pines School District with Q & A sharing time with all participants.

12:00 - 12:30 LUNCH

12:30-1:00 EdReady & the WI Digital Learning Collaborative (WDLC) Career & College Readiness Update, Michele Nickels, Wisconsin Virtual School Director, CESA 9

The WDLC will provide you with an overview of how they are using and providing access to partnering schools to EdReady math readiness system to help students avoid the time and cost of remedial courses in college. In addition to being a tool for college readiness, it is also a powerful tool for career pathway readiness in math too. For students who are pursuing a career-focused path of study, there are 152 EdReady Pathways assessments. We will provide a brief demo and explain how you can partner with WDLC to access these resources. EdReady will help create a personalized study path to master concepts, help prepare for standardized exams such as ACT®, SAT®, Accuplacer®, or Compass and Identify programs, colleges, or universities that are appropriate for their skills and interests. Coming soon will be EdReady English Readiness too.
