

Online Event via ZOOM

3:30 PM – 5:30 PM

Presenter: Julie Jensen, CESA #12 Educational Consultant

Do the grades we assign to students truly reflect the extent of their learning? Educator, Myron Dueck, reveals how many of the assessment policies that teachers use can be detrimental to student motivation and achievement, in his book, *Grading Smarter Not Harder*. Spend time discovering how to tailor make your policies and assessment strategies that motivate students and help them learn.
