

In partnership with:

REVIEWING UNIVERSAL READING INSTRUCTION

School teams will learn how to refine their school-wide implementation of a strong universal reading instruction.

Objectives

- Understand the need for a strong systemic reading foundation built upon organizational trust and common foundational beliefs.
- Articulate current practices around universal reading components from the Wisconsin Standards.
- Understand the impact of instructional time, grouping, and classroom environment on the effectiveness of the universal level of support.
- Action plan for school improvement around the universal level of support for reading instruction.

Audience

- School or district teams of three or more (**principal or school/district decision maker, such as curriculum director is essential**).
- Representation of general education and special education.
- Support staff and specialists including: reading specialists, literacy coaches, Title One, ESL, gifted and talented.
