- ⇒ Do you feel like your current Professional Learning Community isn't meeting your needs because it is made up of teachers from multiple content areas?
- ⇒ Is there only one of "you" in your school or district?
- ⇒ Do you want to collaborate with other grade level and content area teachers to share resources, tools, and practices?

Then join us at CESA #4 for our four-part Professional Learning Network series and connect with teachers in your content area across school boundaries!
