

Teen Tutoring Training

Presented By CESA 5

This one-day training opportunity will provide teen tutors with a toolbox of strategies and the knowledge and skills necessary to tutor their peers. Students will view authentic tutoring scenarios, as well as role play the use of several instructional strategies in tutoring sessions. Time will be provided during the day for school teams to plan and organize their program so it is essential that the tutoring advisor join his/her students.

9/14/09 at Lodi High School

9/15/09 at Stevens Point Area High School

Audience: High School students and their advisors
who wish to become peer tutors in their school
