Substitute Teacher Training

Nancy Jaeger, CESA 6 Educator Licensing Director

Description

Wisconsin school districts are in need of, and want to hire and retain qualified substitute teachers. Wisconsin PI 34 enacted a rule allowing school districts to hire non-certified teacher substitutes. To be issued a three-year, short term, substitute teacher permit individuals must hold an Associate's degree or higher, receive appropriate training, and be sponsored by a school district. Our training will teach and engage prospective substitute teachers in activities that mirror real classroom situations. Our instructor will model a variety of teaching strategies that substitute teachers can use in the classroom. Additionally, participants will gain a deeper understanding of effective teaching principles in order to prepare for future substitute teaching assignments.
