Universal Design for Learning (UDL) expert, Katie Novak, will bring an interactive day of professional development that will elevate educators to build on the foundation of UDL as a framework for curriculum and instructional design.

AT THIS WORKSHOP, EDUCATORS WILL DISCOVER HOW TO:

- Optimize and scale student voice and choice
- Create a community that values continual improvement, creativity, and innovation

About Katie Novak, Ed.D.:

Katie Novak is an internationally renowned education consultant as well as a practicing leader in education as the Assistant Superintendent of the Groton-Dunstable Regional School District in Massachusetts. With 15 years of experience in teaching and administration and an earned doctorate in curriculum and teaching, and 4 books published by CAST Professional Publications, Katie designs and presents workshops both nationally and internationally focusing on implementation of Universal Design for Learning (UDL), multi-tiered systems of support, and universally designed leadership.
