Description:

A safe, non-harmful behavior management system designed to provide for the best possible care, welfare, safety and security of disruptive, assaultive or out-of-control students while insuring the safety of staff and other students. A workshop designed for administrators, paraprofessionals, teachers and other school personnel in contact with potentially disruptive students.

Participants in this workshop will learn:

- The four stages of crisis development and how to intervene at each stage
- Techniques for de-escalating verbally disruptive individuals before they become assaultive
- Strategies for maintaining personal control

*Indicates refresher session
