

# ELL Center ONLINE Professional Development Summer 2011

## July 8 - August 19, 2011

Looking for professional development opportunities built around the flexibility you want during the summer? The CESA 6 ELL Center is offering online 6-week professional development opportunities for educators with the benefits of any time, anywhere, and any pace participation.

From **July 8-August 19** courses will be structured with specific weekly lesson responsibilities, but allow for participant involvement at their own time and pace throughout the week from any internet location. Online collaboration will include group discussion board activities and sharing. Online journal reflection, interactive media and classroom videos are course highlights allowing participants to "experience" the content.

Course #1	Course #2
<h3>English Language Learners In the Mainstream</h3> <p><b>In this course, you will...</b></p> <ul style="list-style-type: none"> <li>• Explore the difference between social and academic language</li> <li>• Learn basic instructional strategies</li> <li>• Explore guidelines for planning instruction</li> <li>• Consider how students learn to read in primary grades and read to learn in secondary grades</li> </ul> <p><b>In addition to these goals, participants will:</b></p> <ul style="list-style-type: none"> <li>• Learn how demographic changes effect schools and the importance of culture when teaching ELL students</li> <li>• Gain knowledge of supportive strategies that can be implemented in any classroom, and</li> <li>• Alternative methods that can be used to assess and grade ELL students.</li> </ul> <p><b>Who should take this course?</b> Mainstream teachers of English learners (K-12); Support personnel for English learners (K-12); Any educator or administrator wanting to better understand the instructional implications of ELLs in mainstream classrooms.</p>	<h3>Content-Based Instruction for English Language Learners</h3> <p><b>In this course, you will...</b></p> <ul style="list-style-type: none"> <li>• Examine the main characteristics and types of content-based instruction for English Language Learners.</li> <li>• See how teachers balance the dual focus on language and subject matter and learn about a helpful framework for choosing and developing the content taught, as well as factors influencing the choice, development, and adaptation of materials.</li> </ul> <p><b>In addition to these goals, participants will:</b></p> <ul style="list-style-type: none"> <li>• Examine several useful activity types and consider how to integrate listening, speaking, reading and writing in content-based instruction with students at different proficiency levels.</li> <li>• Identify some technological resources available for developing content-based curricula and consider how assessment is affected by using content-based instruction.</li> </ul> <p><b>Who should take this course?</b> ESL teachers (K-12); Mainstream teachers of English learners (K-12); Support personnel for English learners (K-12)</p>
