Non-Violent Crisis Intervention

REGISTRATION FEE: \$ 255.00

**Registration: 8:00-8:30AM
Workshop: 8:30AM-3:00PM**

Session Includes:

Continental breakfast, lunch, materials, and a certificate of completion

Educators recognize the need for timely, effective nonviolent intervention with potentially violent individuals. They know that such intervention improves the physical safety of all participants and creates a more trusting and caring learning environment.

Anyone who may have to manage the verbally or physically aggressive individuals will benefit from the skills and techniques learned in Non-Violent Crisis Intervention.

Program participants leave with skills that allow them to:

1. Identify the potential for violent or disruptive behaviors
2. Reduce tensions
3. Prevent violent episodes
4. Intervene safely in violent situations
5. Develop safe humanistic approaches to crisis intervention
6. Improve staff confidence and boost morale
7. Provide optimum care for individuals

Dress Comfortably

Wisconsin Teacher Standards Emphasized:

WTS5 The teacher uses an understanding of individual and group motivation and behavior to create a learning environment that encourages positive social interaction, active engagement in learning, and self-motivation.

WPS6 The pupil services professional is able to address comprehensively the wide range of social, emotional, behavioral and physical issues and circumstances which may limit pupils' abilities to achieve positive learning outcomes through development, implementation and evaluation of system-wide interventions and strategies.

State Performance Plan Indicators Emphasized:

IND4 Suspension / Expulsion-Discrepancy between the rate of students with disabilities being suspended or expelled from school more than 10 days.

IND5 LRE Placement-Percent of children with IEP's removed from regular class.

AUDIENCE:

Teacher and teacher assistants of the emotionally disturbed, principals, guidance counselors, social workers, psychologists and regular education teachers.
