

ABOUT CESA 10

CESA 10 is a non-profit educational agency providing facilities management services to assist school districts and governments reduce energy project costs, become more energy efficient, and provide safe and healthy school environments. CESA 10 is committed to helping the school districts of Wisconsin save millions in energy and facility project costs.

For more information on CESA 10's services including Energy Management Services, Owner's Representative Services, Referendum Planning, and Environmental Health and Safety, call **888-947-4701** or visit **facilities.cesa10.org**.

WHY IS THIS TRAINING OFFERED?

CESA 10 is pleased to host the Initial Asbestos Operations & Maintenance and Designated Person Training.

This training is designed for people who encounter and/or disturb asbestos while conducting maintenance related activities during the course of their work.

This **two-day** course satisfies the training requirements for people conducting Class III activities per OSHA requirements. **Training will be provided by the Milwaukee Lead/Asbestos Information Center.**

REGISTRATION COST

Cost for this training is \$350 per person. However, if your district currently has an Environmental Health and Safety contract with CESA 10, attendees will receive a \$50 discount, for a total cost of \$300 per person. Lunch is included with the registration fee.
