

ABOUT CESA 10

CESA 10 is a non-profit educational agency providing facilities management services to assist school districts and governments reduce energy project costs, become more energy efficient, and provide safe and healthy school environments. CESA 10 is committed to helping the school districts of Wisconsin save millions in energy and facility project costs.

For more information on CESA 10's services including Energy Management Services, Owner's Representative Services, Referendum Planning, and Environmental Health and Safety, call **888-947-4701** or visit **facilities.cesa10.org**.

Registraton: 7:30 - 8:00 am

Abestos Refresher Training: 8:00 - Noon

TRAINING TOPICS

This course is designed for people who encounter and/or disturb asbestos while conducting maintenance related activities during the course of their work. The following topics will be covered during the training session:

- The background of asbestos
- Health effects
- Personal protective equipment
- Recognizing deteriorated asbestos

Registration is available online.
The option to pay by credit card is available at www.myquickreg.com.

WHY IS THIS TRAINING OFFERED?

CESA 10 is pleased to offer annual Asbestos Refresher Training. The purpose of this training is to ensure compliance with state and federal regulations.

This mandatory training is required to meet the OSHA asbestos regulations adopted by Wisconsin Department of Safety and Professional Services. If you or your staff perform operations and maintenance activities at your facility, this training must be taken on an annual basis.

REGISTRATION COST

Cost for this training is \$125 per person. However, if your district currently has an Environmental Health and Safety contract with CESA 10, attendees will receive a \$25 discount, for a total cost of \$100 per person. A working lunch is included with the registration fee.
