

## WHO ARE WE?

CESA 10 is a non-profit educational agency providing facilities management services to assist school districts and governments reduce energy project costs, become more energy efficient, and provide safe and healthy school environments. CESA 10 is actively looking for partnerships for its Energy Management, Owner's Representative, and Construction Management service areas.

CESA 10's Energy Management service has saved over \$10 million in energy costs since program inception in 2004. CESA 10 is committed to helping the school districts of Wisconsin save millions more in energy and facility project costs moving forward. For more information on CESA 10's services including Energy Management, Owner's Representative, Construction Management, and Environmental Health and Safety services, call **888-947-4701** or visit **facilities.cesa10.org**.

*"I have found working with CESA 10 has been a life saver for me. Everyone I've worked with has been very knowledgeable and understanding. I can honestly say I couldn't do it without them."*

- Mike Stange, Maintenance Director  
BangorSchool District
