

College and Career Ready IEPs: Early Childhood Style... Networking Opportunity

January 31, 2018
9:00 am - 3:00 pm
CESA 10 Teleconference Center

As a group we will discuss:

- The 5 step process and beliefs of CCR IEPs
- The difference between disability related needs and effect of disability
- Ways to address family engagement
- Tools to help write functional and measurable goals that address a child's individual needs
- What early literacy needs means in early childhood
- What access, participation and engagement in age appropriate activities mean in early childhood
- Ideas on facilitating parent friendly meetings to write CCR IEPs
- What areas we need more resources, training, and support on when writing and gathering data for CCR IEPs

Participants should
bring an IEP to review
during the training.
