# ASSISTIVE TECHNOLOGY SCREENING & ASSESSMENT
AND
READ & WRITE FOR GOOGLE

Friday, April 27, 2018
CESA #12 Conference Center
9:00 a.m. – 3:30 p.m.
Registration: 8:30 a.m.

Presenters: Paula Walser, Educational Consultant/Speech & Language Pathologist & Sue Erickson, CESA #12 AT Consultant

AM: *Assistive Technology Screening and Assessment:*
This workshop will provide a framework for assessing a student's need for assistive technology. Every School district is required to ensure that assistive technology devices and services are provided if needed by a student in order to receive a free appropriate public education. BUT how does one assess the need for assistive technology? There is NO standardized test or tool to help determine the need for assistive technology. Join us and learn how to implement a successful process for screening and assessment of assistive technology device and services.

PM: *Read and Write for Google:*
This workshop will increase your confidence in using Read and Write for Google from TextHelp! Read and Write is a tool that boosts reading and writing confidence across all types of content and devices, in class and at home!
Wonderfully intuitive and easy-to-use, Read&Write for Google Chrome™ provides personalized support to make documents, web pages, and common file types in Google Drive (including: Google Docs, PDF and e pub) more accessible. It's designed to help everyone engage with digital content in a way that suits his/her abilities and learning styles.
Participants should have access to the Premium version of Read and Write. Premium access for Educators is available here:
https://www.texthelp.com/en-gb/products/free-for-teachers/confirm/

Registration fee includes continental breakfast, lunch and materials.

Target Audience:
Educators that work with students with special needs. Parents of children with special needs.
