KEYNOTE by Ivy Evrard:

Finding Your Voice: Promoting Self-Determination, Challenging Assumptions, and Cultivating Change

Ivy, an advocate and young adult recovering from mental illness, will share her story of resilience and experiences from elementary school to adulthood. She will share strategies on how adults in the school environment can help students with planning, organization, and self-determination skills.

Her mom, Jenny, will also share her perspective on raising a daughter with mental health challenges and the difficult task of letting go.
