### Registration Costs:

FREE for all CESA 5 School Improvement Consortium Members  
\$75 for non-members (per person, per date)

The Social Studies Professional Learning Community meetings are designed to fit the ever-growing needs of our network members. Attendees provide a portion of the direction of the meetings by providing relevant lessons, resources, and ideas. In turn, the CESA 5 staff provides outstanding presenters and material for professional collaboration, classroom resource development, and reflection.
