# Understanding the Wisconsin High School Assessments Results

**Tuesday, August 7, 2018 – 8:30 a.m. to 3:30 p.m.**

**Facilitator: Eric Larsen**

CESA 6 Director of Assessment, Data and Accountability

## Description

Wisconsin High School Assessment data follows 9th through 11th graders in English, Math, Reading, Science and Writing from the ACT Aspire through the ACT test. Additionally, the WORKkeys Assessment provides valuable college and career readiness data. This workshop will provide valuable information about the assessments, their websites and the data earned by your students. We will carefully look at trend data, sub-group performance and sub-skill specific analysis.

With the accountability from ESSA in mind, we will help schools and districts explore ESSA Accountability and possible identification based on sub-group performance.

**Participants need to have access to WISEdash and eDirect.**

## Who should attend?

Leaders and school or district teams.
