

No More Mindless Homework Online Book Study

Summer Reading Book Study Opportunity: No More Mindless Homework

Join in on an opportunity to collaborate with peers on the topic of homework. Through this online book study you will discover research-based strategies to make homework more meaningful and child-centered. This book is a practical and easy read that expands the reader's view of homework.

When: June 1 - June 28, 2018 (weekly blogging)

Online discussion dates:

June 13, 2018 from 9:00 am - 10:00 am

June 28, 2018 from 9:00 am - 10:00 am

Where: Online

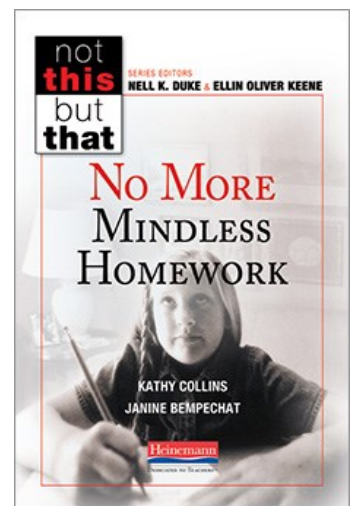

Participants will be sent a weekly reflection question in which to respond via a blog.

Who: Classroom educators having five years or less experience in the field. However, all levels of experience are welcome.

Cost: Free

Participants will receive a certificate of completion for up to 10 hours.

Contact: Casey Gretzinger, cgretzinger@cesa9.org

****Participants must purchase their own book prior to the book study starting****

You may purchase the book from your vendor of choice, but here are two options:
