October 30, 2018**

8:30 A.M. — 3:30 P.M.

**CESA 11
225 OSTERMANN DR
TURTLE LAKE, WI**

Objectives

Day 1 Teams will:

- Align Tier 2 with Tier 1 data, systems, and practices.
- Develop or refine Tier 2 interventions (Check-In Check-Out, Social Academic Instruction Groups, and Mentoring) that include all six intervention features.
- Create a plan to provide ongoing training and support to students, staff, and families and obtain their feedback.
- Refine roles and responsibilities of the Tier 2 team.

Day 2 Teams will:

- Create a plan for how the team will develop or refine a brief Functional Behavior Assessment data collection process including training and supporting stakeholders.
- Create a plan for how the team will develop or refine brief Behavior Intervention Plans that include all six intervention features, training, and supporting stakeholders.

WISCONSIN PBIS NETWORK TIER 2 BOOSTER

The first day will examine Tier 2 intervention features, their connection to Tier 1 practices, and their application to Tier 2 interventions. The second day will examine the brief Functional Behavior Assessment (FBA) and Behavior Intervention Plan (BIP) process within the Tier 2 system, including connections to both Tier 1 practices and Tier 2 intervention features.

Audience

This two day Tier 2 Booster is designed for school or district teams, of two or more people, looking to strengthen their current system. This series will help teams improve primary Tier 2 interventions and the system that supports them. Common challenges with implementing each intervention will be addressed with time to review, reflect and plan around current practice.
