

LEGO MINDSTORMS FOR STUDENTS

WHO: A challenge ideal for students in grades 4 through 10.

WHAT: Each district may bring up to four students to participate in the LEGO Challenge. (Please list student names in the notes section upon registering.) Student teams will create, design, and program a robot using the LEGO MindStorms EV3 kits to complete a specific task. Teachers fill complete anecdotal observation forms to assess students while working on the task.

WHERE: CESA #4, West Salem

WHEN: May 17, 2018 9:00 AM-2:00 PM

FEE: The event is funded through the 2017-2018 Gifted and Talented grant.

Free to student/teacher teams from schools within the MVGT Network (see list below); Includes AC-H-M, Arcadia (Holy Family), Bangor, Blair-Taylor, BRF, Cashton, DeSoto, GET, Hillsboro, Holmen, Independence, Kickapoo, La Farge, Mauston, Mel-Min, Mondovi, Necedah, New Lisbon, NOW, Osseo/Fairchild, Royall, Sparta, Tomah, Viroqua, Westby, Whitehall, Wonewoc.

\$50 per team for non-MVGT Schools. Pricing for schools outside of network will be adjusted prior to event.

NOTE: Snacks and lunch provided.
