EE Evaluator Training

8:30 am—12:00 pm

Free

Description:

Administrators who are learning to use Frontline/MLP to evaluate other administrators or teachers in the Frontline program should attend this free training. This is especially appropriate for administrators new to a district using the Danielson model. (***You will also need certification in the Danielson model before or after this training.***) Also appropriate for administrators who have been using Danielson, but are new to Frontline/MLP and want to learn to use the program.

EE Focus Training--Danielson Certification Training

12:30—4:00 pm

\$25, includes lunch and materials

Description:

This training will prepare you to take the test for EE Certification for the Danielson (State) Model. After the 3.5 hour training, you will be prepared to take the Certification Test on your own. This training is also helpful if you need to take the recertification test.

Who Should Attend:

New administrators in EE/Danielson districts, Administrators needing recertification.
