# CESA 5

Technology Coordinators Network Meetings 2018-19

The CESA 5 Technology Coordinators' Network is a series of three meetings designed to provide updates on regional, state, and federal initiatives and opportunities to network and share challenges, successes, and questions with colleagues. Participation in the network will also include advance notices of professional development opportunities for staff and other information of interest to technology coordinators and technology integrators.

Registration Costs:

FREE for CESA 5 ITSS Members
$50 for non-members
