

Continuing Our Journey with Quality

CESA 8 CIA Department presents:

Lean Leadership

Lean Leadership is a continuous improvement framework that promotes a constant state of re-evaluation through seeking ways to improve rather than to react to problems with quick fixes. A core value of Lean includes empowering employees to identify and implement improvement strategies.

Two 3-day *Lean Leadership for District Leaders* classes will be offered for the 2018-19 Academic Year

Class 1 - October 10, 23, and November 13, 2018

or

Class 2 – February 13, 19, and 26, 2019

Participants will learn the principles and tools of Lean Leadership applied to the educational setting to develop, lead, and monitor a culture of continuous improvement.
