Day 1: October 11, 2018

FOSTERING LANGUAGE & LITERACY

Join Kelly Harmon for a day full of innovative, engaging ideas and activities for authentically accelerating the literacy development of young children! Through language play, music, read alouds, investigations, and experimenting with literacy tools, young children develop receptive, expressive, reading and writing vocabularies. Explore ways to set up a rich language and print environment and how to respectfully share literacy practices with parents of young children. This seminar includes make-and-take games and activities to use immediately in your classrooms!

Day 2: January 16, 2019

FROM PHONICS TO FLUENCY

Phonics and fluency go hand-and-hand because they are both essential components of a proficient reader. Join Kelly Harmon to boost your knowledge of how to take your students from just sounding out words to reading smoothly with expression! Explore engaging activities that will get your students fluently reading in no time. Plus, explore ways to boost reading comprehension skills in our youngest learners.

Day 3: April 16, 2019

READING & WRITING STRATEGIES IN THE EARLY CLASSROOM

Help build your student's reading and writing skills in this interactive training all about the best practices for early childhood! Explore shared reading, power read alouds, literacy centers, and much more. Walk away ready to implement reading ideas for poems, big books, and songs. Learn ways to improve your student's listening comprehension development. Create early writers with ideas that get students expressing their ideas on paper!
